MEMORANDUM FOR THE RECORD

SUBJECT: CIS Data for 2nd Quarterly Review

1. In a telephone conversation with [] this date concerning, among other more minor items, TO-BE-LET dates for the second quarter which were originally requested to be submitted by 10 September, he stated the following:

25X1A

a. The budget changes have only been in the hands of the Division Chiefs for a week, so dates are just now becoming firm.

b. He will have the data in by Friday, with the assistance of a copy of a "shopping list" which I promised to send him to use as an index against his master lists.

2. [] also stated that the current discrepancy between the latest [] Current Program total and that of the CIS is also due to the budget changes being reflected in the [] so recently that there has not been time to make the same changes in the CIS.

3. Four FAN/ORN number discrepancies between [] and [] records were indicated with a request that these be checked out and resolved.

4. [] also indicated that complete master listings were of no use to him and that he preferred other listings. I asked him [] for permanent guidance as to his output need []
